Congratulations on your Engagement

At Kelowna Springs Golf Course, helping make your dream wedding a reality, is truly our pleasure. Let's plan the perfect reception for your friends and family to celebrate your love for one another.

Let the attentive staff take care of all the details that will leave your guests describing your special day as "The Perfect Wedding!"

Our facility can seat up to 130 guests comfortably, with the ability for an additional 50 guests to join after for the dance reception. We have an in house microphone system and podium available for your convenience.

There are three televisions located throughout the room which can be used for a DVD presentation for your special day.

For smaller receptions there is a dance floor located within the main dining room. For larger receptions, there is a separate room that can be used for a photo booth with props, candy bar or dance floor.

Facility Rentals & Details

There is a facility fee of \$500.00 plus GST. This fee includes room set up & take down, all linens and napkins in your choice of black or white, as well as white table skirting for the head table, cake table and registry table.

There are many options for room set up and our Food and Beverage Manager will be happy to review these with you. Depending on the number of guests and your preferences regarding a head table, etc. we will find the best option that meets your dream.

We will do our best to make the restaurant available to you 24 hours prior to the reception for any or all of your decorating needs. If our facility is reserved the evening prior to your reception, we welcome you no later than 9 am to decorate the day of your reception.

Use of your own center pieces and tea light candles in holders is permitted, though we kindly ask that no confetti or flower petals be used. A portion of the room will remain open to the public for that evening and the next day until 4 hours prior to your reception. If additional tables need to be set up, our staff will happily complete the final details as per your instructions. If you wish, the staff is able to do the decorating for you, and we would be happy to do so for a negotiated decorating fee.

We kindly ask that all decorations, centerpieces etc be removed that night unless prior arrangements have been made with the Food and Beverage Manager. Should you require us to take down your decorations and store them for next day pick up, we would be happy to do this for an additional fee.

We want you and your guests to enjoy the evening; however we ask that you be ready to leave no later than 1:30 am.
